

## **Shannon Bielski and Moonlight Drive, *Tennessee Heart***

[pxrec.com]

Ms. Bielski is an up-and-coming fiddler who is on her way to also becoming a strong vocalist. At times her singing catches fire, as on "I'll Go Stepping Too." Her fiddling is very good and her band is solid with strong harmony vocals. The arrangements are interesting and very contemporary bluegrass. She wrote four of the cuts here. Rob Benzing plays some creative banjo while Kyle Windbeck plays mandolin and guitar. Greg Mulley plays bass. Their sound is one of promise.
