A Brief Survey of Overlooked 2019 Albums

Reunion Road: Carol Hausner & Eleanor Ellis, *Short Time to Stay Here*

Folk-roots singer-songwriters **Carol Hausner** and **Eleanor Ellis** have been friends for more than three decades. Here, they team up as Reunion Road for a hefty and heartfelt collection of twangy tunes called *Short Time to Stay Here*. The two women's voices blend in blissful harmonies over heartily plucked banjo and saucy streaks of fiddle. Their take on the traditional bluegrass song "You've Been a Friend to Me" sums up the album, both musically and conceptually.
