STEPHEN WADE/A Storyteller's Story: Talk about doing what you love and the money will follow, Wade has made a whole career out of a banjo show he launched when he was a wiry haired hippie and totally rode it to glory. He recaps here, over 40 years later, and the charm that carried the unlikely day back in the day is still in effect. Everyone keeps fighting over who is the grandfather of Americana and this entry gives Wade his due in that sweepstakes. Out of the ordinary for sure but totally time well spent.
